

IT'S SO CLOSE BETWEEN

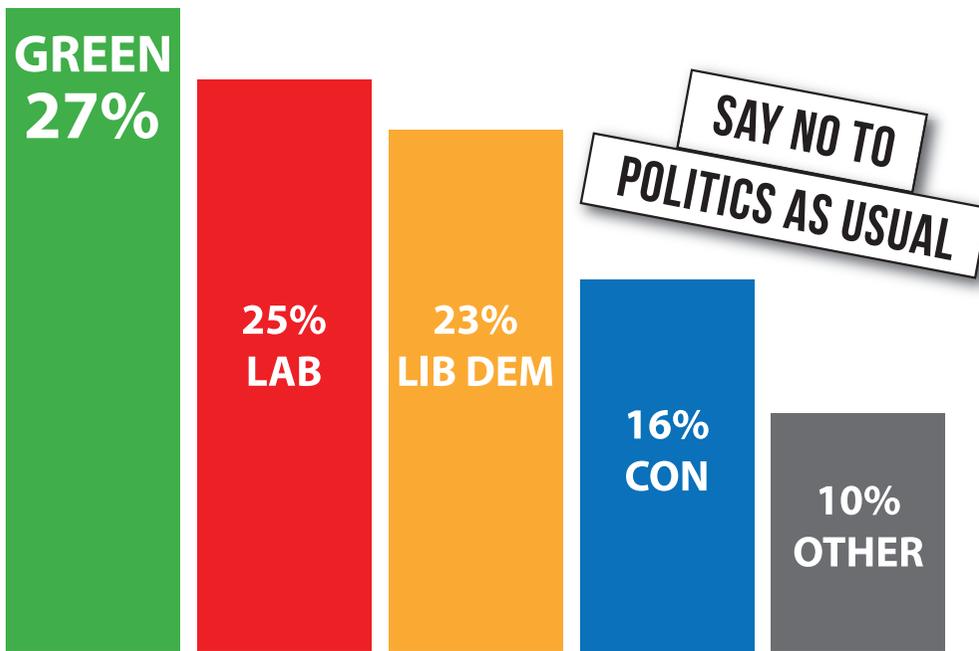

TIM SHEERMAN-CHASE AND

THE OTHER PARTIES HERE

FRATTON DESERVES

A HARD-WORKING

INDEPENDENT VOICE

Voter responses indicating definitely or possibly voting for party X.
Based on 226 survey responses in Jan/Feb 2019.

TIM CAN WIN IN FRATTON

VOTE FOR TIM SHEERMAN-CHASE AT THE COUNCIL ELECTION

“

I have had an excellent response on the doorstep, with many residents saying they are definitely voting Green or are seriously considering doing so. If I get your vote I intend to continue to work hard all year round. Helping residents and campaigning to reduce air pollution, tackle anti-social behaviour and address parking issues. I will be an independent voice holding the council to account. We've had a Tory council and now a Lib Dem council, but it's just more of the same. I ask you to use your vote wisely and consider the positive impact a new Green voice would have on the council.

”

Tim Sheerman-Chase

TIM: WORKING FOR A SAFER COMMUNITY

Tim is concerned about anti-social behaviour and has made connections with the local police.

TIM: GREEN SPACES

While other parties flog off land to developers more interested in big profit than local people, today in Fratton, Tim pledges to work to put power back into the hands of local people. Green policy is to give community groups the right to buy land which comes up for sale in their area, and buy up land which is abandoned or neglected. Tim believes that this could energise communities in this country.

TIM: A STRONGER VOICE

Tim has been campaigning for years to reduce air pollution in Fratton. He is also a key member of a team called **#LETPOMPEYBREATHE** who are analysing data and making deputations to the local council in order to finally get the clean air plan that has failed to be delivered so far.
