

ABOUT TIM SHEERMAN-CHASE

Tim is a local resident and has been an active campaigner in Portsmouth for the last few years, with his ancestral roots tracing back to nearby Emsworth.

Tim works as a software contractor

and AI specialist. He is used to tackling problems and finding solutions by evaluating the evidence. Tim currently specializes in air quality and sustainable transport issues. He has volunteered with Portsmouth Foodcycle and Fratton Big Local to help support the local community.

Tim says, **“We need a Green councillor to put an alternative view forward in the city council that would truly help the residents of Copnor and Anchorage Park. With your support, I know we can win!”**

CLEAN UP OUR ENVIRONMENT

Tim has been working hard in the local area to improve the litter and fly tipping situation. Residents have expressed their concern about the mess in parks and on roads. Litter picking sessions organized by Tim have been very successful.

Tim says, **“Residents are worried about the state of their neighbourhood. We need more bins and a more accessible way to recycle and dispose of household waste”**

“I’m very passionate about keeping green spaces in the City and ensuring that our Portsmouth air is free from pollution. I respect the campaigning by Tim Sheerman-Chase on this and #letpompey breathe.”

YOU DECIDE

- ✓ **Tim works hard - not just at election time**
Tim has been active around Copnor and Anchorage Park on organizing litter picking and reporting, supporting the local food bank, campaigning on air quality.
- ✓ **Copnor has been ignored for too long**
Vote for Tim to make sure our area has an independent voice on Portsmouth City Council. This will enable action on litter, supporting local shops, parking and more.
- ✓ **With your support, Tim CAN win here.**
