

Portsmouth Green Party

Supporting the party fundraising

Where would we be without support from our friends?

As you know the Green Party is not financed by big business. We rely on the support of members to help us with our efforts to promote the party. Here in our local party we recognise that members cannot always get involved with meetings and other events but would like to support us financially. As a donor you are helping us to provide all sorts of things including materials and paying for meeting places to promote the party, which gives us a much better chance to win seats in local elections.

We are grateful for any donations.

You can make a one-off donation or you may wish to set up a standing order to help our party funds. Please see the next page for information on how to donate.

The need right now has never been greater and more than ever we are counting on our friends and supporters to make a difference to our chances of getting elected. We have a very strong chance of getting elected this year and your support really does make a difference.
